

# Summer Experience Week

## BLOG Project

English  
Academy  
summer school

Students to work in teams as arranged by the teacher, approximately 4 students per team. This is the students' team for the week.

The students will work together to produce a blog. This blog can be done online if there are laptops/ computers available but can also be done on paper.

The students are encouraged to be ORIGINAL and DIVERSE. They should have various sections to their blog. Some examples of content ideas can be found below:

Each team must choose a theme eg: football, cooking (Master Chef), Dancing, Celeb watch, travel, etc. Include different sections:

- Advertisements
- Awards
- Puzzle/ word search
- Crossword
- short clip
- review of something (product, movie, music, celeb fashion etc.)
- Competition
- Social Media account
- Meme
- Interview
- Poem
- Recipe
- song/rap
- Short story- Can write the beginning and ask readers to complete it...
- Top 10 list of something...
- Quiz
- Reading list
- 6 word stories  
(<https://technologypursuit.edublogs.org/2018/09/02/six-word-stories/#comment-86>)
- Word of the day
- Idiom of the week...
- Send a message in code
- Etc...

Teacher: Support the students with their language skills, offer ideas, encourage individuality, teamwork, creativeness and offer assistance with vocabulary.

These blogs will be presented to the parents on Friday by the team who created it. They can do this by taking turns to read through it, have the parents complete any English games they included, re-enact an interview they blogged about etc.
